THE AMERICAN
UNIVERSITY IN CAIRO

Architecture in the Age of Disruptive Technologies

Transformation and Challenges

ASCAAD 2021

CALL FOR WORKSHOP PROPOSALS

The ASCAAD 2021 workshop themes aim to address the main theme of the conference: **ARCHITECTURE IN THE AGE OF DISRUPTIVE TECHNOLOGIES – Transformation and Challenges**. We invite prominent workshop organizers and interdisciplinary teams from the CAAD community, including researchers and practitioners to propose and moderate state-of-the-art online workshops. The conference committee is looking for a diversity of workshop proposals that address the transformational role of disruptive technologies in architectural practice and education and stir a rich global debate in the CAAD community.

PROPOSAL SUBMISSION

Workshop proposal submissions should be sent to conference@ascaad.org in PDF format by **October 11, 2020**. Feedback will be sent to organizers by **November 11, 2020**. The expected workshop duration is **three hours maximum**. Organizers are free to host their workshops on their preferred online meeting platforms. Workshop results will be presented during the conference days.

PROPOSAL CONTENT

- Full name, title, affiliation & bio (150 words) of all workshop organizers (one proposal per organizing team)
- Title of workshop
- Identification of corresponding conference sub-themes (one of the following):
(A) Human-computer computation (B) Emergent modes of learning (C) Architectonic languages (D) Technology integration and collaboration (E) Computational enculturation
- Brief description of workshop (500 words max.) under the following headings: Aims & Objectives, Proposed Methods, Program, Format & Duration, Expected Number of Participants, Expected Outcomes

PROPOSAL EVALUATION CRITERIA

A panel of international experts will evaluate the offered proposals and will select several workshops to be considered. The evaluation criteria will include the following:

- 1- Relevance of workshop proposal topic to the main theme of the conference
- 2- Clarity of workshop objectives, detailed program, and expected outcomes
- 3- Feasibility of conducting the workshop and achieving its outcomes in an online format
- 4- Expertise of workshop organizers and evidence of previous experience with similar workshops
